

# Conquer Voice Just Got Better. Introducing Omnichannel Cadence From Conquer.

**We've changed our name from DialSource to Conquer.**

**And we've expanded our solution to meet even more of your needs.**

Whether driven by your customer's demands or requirements, the growth and evolution of your business, or just to keep pace with or outrun your competitors, you either require or are soon to require a sales engagement platform for sales or customer service.

## Introducing Cadence From Conquer

Cadence from Conquer is a comprehensive communications solution for modern revenue teams. Including sales and customer service.

Extending your trusted Conquer Voice solution to all Omnichannel touchpoints across your organization, including email, text, social, video and analytics.

**Do more. All within your familiar Conquer interface right inside Salesforce:**

- Execute Touchpoints
- Plan Cadence + Triggers
- Improve Efficiency
- Track Outcomes
- Measure Outcomes
- Optimize for Growth

**Modern revenue teams engage, acquire, and retain customers  
by communicating seamlessly across all channels.**

# Conquer Cadence. Everything Your Team Needs. All Inside Salesforce.

**We make it simple for sales and service teams to execute, track, and connect every customer interaction all within Salesforce. A complete sales engagement platform that enables you to:**

- › Measure and optimize based on best practices and insights
- › Easily enable inbound and outbound calls
- › Engage with prospects without leaving Salesforce
- › Automatically log & track activities

## **Every Channel**

Conquer Cadence acts as an engagement layer inside of Salesforce, enabling inbound and outbound communication across email, voice, text, and social.

## **Every Touchpoint**

Plan, execute, and track every touchpoint from within Salesforce. Guide seller's actions to help simplify their day-to-day sales engagement.

## **Every Team**

Conquer Cadence was built to work seamlessly across Sales Cloud, Service Cloud, and more Salesforce industry clouds to enable your team.

## **Omnichannel Conquer Cadence.**

**It's your familiar Conquer Voice for Salesforce as you know it, plus much more.  
A sales engagement platform across every touchpoint of every channel.  
Built for how you work.**

**Conquer your day.  
Get Cadence from Conquer.**
